

Montserrat Arredondo, Table Director, One Arizona

Bio: Montserrat began her career in advocacy in 2010 when the infamous “show me your papers” bill SB1070 passed in Arizona. The unfortunate acts of discrimination towards her community lead her to social justice work. Since then she has led substantial campaigns like Prop 206 which passed in 2016, giving 5 million families a living wage. Montserrat is now the Table Director at One Arizona, a coalition of nineteen organizations focusing on voter registration and civic engagement. One Arizona and partners registered 190,000 voters in 2018.
